

FIRST ANNOUNCEMENT AND CALL FOR PAPERS

PHOTONICS PRAGUE 2014

The 7th International Conference on Photonics, Devices and Systems

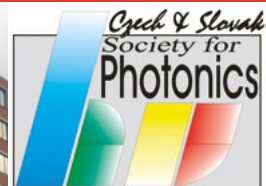

August 27 – 29, 2014

Clarion Congress Hotel Prague, Czech Republic

Czech and Slovak Society for Photonics (CSSF) cordially invites researchers, scientists and engineers interested in the development of photonics to take part in its 7th International Conference **PHOTONICS PRAGUE 2014 on Photonics, Devices and Systems**.

CONFERENCE TOPICS

1. Laser in industry
2. Optical sensors
3. Biophotonics
4. Simulation of photonic devices
5. Photonic crystals, photonic bandgap structures
6. Diffractive optical devices
7. Waveguide photonics
8. Organic photonic materials and devices
9. Non-linear materials, devices and applications
10. Solid state lighting + LED, LD, OLED, Solar cells
11. Nanophotonics + Nanooptics
12. Photonics and Multimedia
13. Photonics and Education

The table top exhibition will take place in the same area as the Poster Session and coffee breaks. Exhibitors are welcome to contact the organizers for details.

REGISTRATION

To register please complete on-line REGISTRATION FORM <https://secure.action-m.com/photronics2014-form/> and pay the registration fee http://prague2014.photon-czsk.org/?page_id=83.

IMPORTANT DATES

Abstract Submission	May 1, 2014
Notification of Acceptance	May 16, 2014
Manuscript due Date	August 1, 2014
Early Registration and Accommodation	June 9, 2014
Accommodation Deadline	July 21, 2014
Cancellation of Registration and Accommodation	August 1, 2014
Late Registration	August 22, 2014

ABSTRACT SUBMISSIONS

Prospective authors are invited to submit their **abstracts** using the online SPIE Submission and Review System <http://spie.org/x103713.xml> by **May 1, 2014**. Accepted abstracts will be published in the Book of Abstract (USB format) which will be available at the conference.

PROCEEDINGS

The manuscripts of 6-7 pages should be submitted before August 1, 2014 using the SPIE Submission and Review System <http://spie.org/x103713.xml>. Proceedings of this conference (**Photonics, Devices and Systems VI**) will be published in the SPIE Digital Library and will be indexed in ISI Index to Scientific and Technical Proceedings and Scopus.

CONTACTS

Pavel Tománek – Chairman (Program, Sessions Chairs) – ph2014@photon-czsk.org

Petr Páta (Abstracts, Submissions) – pata@fel.cvut.cz

Milena Zeithamlová (Registration, Social Program, Exhibition) – milena@action-m.com
